Investments with impact

Your annual payroll deduction pledge of $1,000 is a commitment of $83.33 a month and would provide the software needed to support a new curriculum.

Your gift of $500 would provide the maintenance support for a campus beautification project that makes an impression on everyone visiting our campus, including prospective students, their families, alumni, and the community at large.

Your annual pledge of $400 is a commitment of $34 a month via payroll deduction, which is less than $1.14 per day. This support could provide a semester’s worth of books to one President’s Scholarship Award recipient.

Your annual pledge of $360 is a monthly payment of $30 and would provide materials needed for a faculty research project or staff development program.

Your annual pledge of $100 would help to provide printed materials to promote our campus, resulting in prospective Pitt-Greensburg students.

Your monthly payroll deduction of $5 per month could support necessary measures that keep our campus safe, such as snow removal, traffic controls, and emergency medical supplies in each building.

Your annual, one-time gift of $50, would supply our library with two yearly subscriptions to necessary periodicals like National Geographic or The New Yorker.

What is the Partners in Excellence Faculty and Staff Campaign?

Supporting students one gift at a time.

Your contribution of ANY amount will have a direct and profoundly positive impact on everyone at Pitt-Greensburg: students and their families, alumni, faculty, staff, and the community.

Your contributions help Pitt-Greensburg exceed expectations. Isn’t that what excellence is all about?
Create a legacy that goes beyond your role on campus...

Pitt-Greensburg faculty and staff understand first-hand the great need that Pitt-Greensburg students have for quality programs and experiences. That’s why our faculty and staff lead the charge in shaping Pitt-Greensburg’s future when supporting the Partners in Excellence Faculty and Staff Campaign each year.

The goal of the Partners in Excellence Faculty and Staff Campaign is to increase the number of gifts and pledges from faculty and staff that support Pitt-Greensburg. The primary objective is not to raise a certain amount of money, but to encourage ALL faculty and staff to contribute at levels with which they are comfortable. When faculty and staff show their support, it demonstrates to alumni and friends, that our internal constituents embrace our mission. This has a strong influence on prospective contributions from foundations, corporations, and individuals.

Pitt-Greensburg relies heavily upon philanthropic support. Your support allows Pitt-Greensburg to continue our tradition of providing exceptional faculty and staff, state-of-the-art facilities, and financial aid to deserving students, as well as maintaining a safe and beautiful campus. Ultimately, this works together to have a profoundly positive impact on current students, while attracting new students to Pitt-Greensburg. Whether you choose to support general student scholarships or a specific department’s program, every gift to Pitt-Greensburg makes a difference.
