Applied Research Minor

Students interested in Applied Research may choose to pursue a minor either to supplement the work in their majors or to fulfill the requirements for a related area within their majors. The minor in Applied Research requires that students complete five courses for a total or 16 or 17 credits (courses listed are three credits unless otherwise noted).

REQUIREMENTS:

Applied Research minors need to complete the following core courses:

- STAT 0200 OR Basic Applied Statistics (4 credits)
- STAT 1000 OR Applied Statistical Methods (4 credits)
- STAT 1100 Probability and Statistics for Management (4 credits)
- SOCSCI 0200 OR Research Methods in the Social Sciences
- PSY 0032 Research Methods 1 (4 credits)
- COMMRC 1030 OR Research Methods in Communication Studies
- SOC 1114 OR Qualitative Research Methods
- HIST 1010 Historical Inquiry and Methods
- SOCSCI 1901 Applied Research Internship

At least one additional area of application or skills course should be completed from the following list.

Note: INFSCI courses may have prerequisites that are not part of the minor

- COMMRC 0005 Interviewing & Inform. Gathering
- INFSCI 1022 Database Management Systems
- INFSCI 1028 Data Visualization
- INFSCI 1068 Geospatial Information Systems
- STAT 1221 Applied Regression
- STAT 1900 Statistics Internship (or with advice of instructor)

Each course for the Applied Research minor must be completed with a grade of C- or better.
