13. Dollar Bank

For over 160 years, Dollar Bank has grown to become a large, full service, regional bank committed to providing the highest quality of banking services to individuals and businesses. Today, Dollar Bank operates more than 65 offices throughout southwestern Pennsylvania and northeast Ohio. We understand the people and the communities that we serve. Our own employees live and work in these communities. They participate in the decisions of local community groups and business organizations. This local knowledge is reflected in the loans we underwrite and the causes we support as an institution and member of the community. Dollar Bank has a position of safety and soundness that is envied by other financial institutions. As the largest independent mutual bank in the nation, Dollar Bank has no shareholders to answer to and therefore is not fixated on stock price. We are able to focus solely on Dollar Bank customers... the products that meet their needs, the services that offer them convenience and a banking experience that lets them know that they are what is most important to this institution.
