Follow us  
on social media:

**Community Service:** Pitt-Greensburg students learn first-hand that community service does good--and feels good. Whether it's through the annual "Into the Streets" event, Circle K International, Habitat for Humanity, Outdoor Adventure & Community Service, Scholars in Service to PA (AmeriCorps), or other organizations and classes, Pitt-Greensburg students volunteer hundreds of hours in the community each month.

## Campus buildings: 26 on 219 acres.

- ◆ On-campus housing features five residence communities that include apartment- and suite-style living
- ◆ **Chambers Hall & Gymnasium** - campus student center that includes Wagner Dining Hall, the Ronnie Andrews Fitness Center, and the Campus Bookstore.

## Academic Buildings:

- ◆ **Mary Lou Campana Chapel and Lecture Center** - 165-seat intimate auditorium
- ◆ **Frank A. Cassell Hall** - a Gold LEED-certified sustainable building with classrooms and student computer center
- ◆ **McKenna Hall** - classrooms and computer center
- ◆ **Powers Hall** - auditorium, classrooms, faculty offices
- ◆ **Smith Hall** - classrooms, faculty offices, biology, chemistry, and other natural science laboratories, plus the 270-seat Ferguson Theater capable of supporting theatre productions and other public events.

## Millstein Library:

- ◆ Millstein Library contains more than 78,000 volumes and provides access to an array of information resources through the University Library System's Digital Library.

## Center for Applied Research (CFAR)

- ◆ The Center for Applied Research provides curricular and co-curricular opportunities to develop knowledge and skills related to empirical research and expands professional development opportunities for faculty and staff while providing a community resource for research and data collection, analysis, and program evaluation.

## Center for Professional Growth

- ◆ The Center for Professional Growth provides high-quality, relevant educational courses, programs, and services designed to meet the needs of professionals seeking to start, advance, or maintain their professional status, while providing career development, training, and consulting services that help organizations, businesses, and corporations prepare effective leaders and create productive work environments.

## Center for the Digital Text

- ◆ The **Center for the Digital Text** represents a distinctive node of expertise and outreach in the Digital Humanities at the University of Pittsburgh. The Center dedicates itself to supporting the training of faculty in digital methods, serving the global community in outreach to launch and develop new projects, and giving students trained in Digital Studies experience in training, outreach, and consulting in the wider community of digital scholarship and digital media development.
