Students who have RSVP’d to participate in Commencement activities were emailed on March 28 with their specific ceremony time. Below is the list of majors and at which ceremony (10:00am or 1:00pm) they will be recognized.

Please remember that while there are no physical tickets to the April 30 ceremonies, graduates are only able to bring four guests. Those guests must enter Chambers Hall with the graduate and will be escorted to pre-assigned seats. Detailed instructions will be sent to all participants in mid-April.

We would encourage students and families to watch the Pitt-Greensburg Commencement website for updates, as well as continue to monitor Pitt-Greensburg’s COVID-19 website. All planning decisions will continue to be based on the current state of the pandemic with the health and safety of the Pitt Greensburg students, staff, faculty, and alumni, in addition to the general community, in the forefront.
