Mathematics	

Please remember that while there are no physical tickets to the April 29<sup>th</sup> ceremonies, graduates are only able to bring four guests. Those guests must enter Chambers Hall with the graduate and will be escorted to pre-assigned seats. Detailed instructions will be sent to all participants in mid-April.

We WILL have a live broadcast and overflow seating in Campana Chapel for additional guests, with seats on a first-come, first-served basis.

We would encourage students and families to watch the Pitt-Greensburg Commencement website for updates. A link to the live webcast of both ceremonies will be posted on the Commencement website on Saturday, April 29<sup>th</sup>.
