Social Sciences

Spanish

Spanish Education

Visual & Performing Arts

Please remember that while there are no physical tickets for the ceremonies on April 27<sup>th</sup>, graduates are only able to bring four guests and they will be seated together. Those guests must enter Chambers Hall with the graduate and will be escorted to pre-assigned seats. Detailed instructions will be sent to all participants in mid-April.

There will be overflow seating in Campana Chapel for family members and friends not able to view the ceremony in-person. Each ceremony will be broadcast live in the chapel and via the links posted on the Commencement website Saturday morning.

We would encourage students and families to watch the Pitt-Greensburg Commencement website for updates.
