Computer Science Minor

Students interested in Computer Science may choose to pursue a minor either to supplement the work in their majors or to fulfill the requirements for a related area within their majors. The minor in Computer Science requires students complete six courses for a total of 18 credits. Each course for the Computer Science minor must be completed with a grade of C- or better.

REQUIREMENTS:

Complete the following courses:

- CS 0421 Programming Using Java
- CS 0422 Advanced Java Programming

Complete four additional CS or INFSCI courses excluding basic-level course such as INFSCI 0010, CS 0004, CS 0098, CS 0134, and CS 0145.
